

Name: Patil Rohit Kalyan Roll No.- 2201149 Division :- MCA [B]

```
public interface If1 {  
    void m1();  
}  
  
public interface If2 {  
    void m2();  
}  
  
public abstract class Demo implements If1, If2 {  
    public void m1() {  
        System.out.println("M1 Method");  
    }  
}  
  
public class Demo2 extends Demo{  
    public void m2() {  
        System.out.println("M2 Method");  
    }  
  
    public static void main(String[] args) {  
        Demo2 d= new Demo2();  
        d.m1();  
        d.m2();  
    }  
}
```

Output:

M1 Method

M2 Method
